

BUILDINGS RECREATED

TASK

Recreate iconic buildings with found objects around your home.

1

Choose your favorite building.

2

Find things laying around your house.

3

Recreate the building with those objects.

4

Share your work of art!

EXAMPLE

Solomon R. Guggenheim Museum | New York City
Architect: Frank Lloyd Wright

The following page has a few iconic buildings to use as thought starters. Share images of the building and your recreation of it on our Facebook page.
